**FLORIDA REGION OF USA VOLLEYBALL ANNOUNCES 2021 TEAM FLORIDA INDOOR HP ALL-STAR ROSTERS**

Team Florida Indoor HP All-Stars will compete at the USAV All-Star Championships in Orlando, FL beginning July 21<sup>st</sup>.

**Eustis, FL – June 22, 2021** – The Florida Region of USA Volleyball is proud to announce the 2021 High Performance All-Star rosters! The Team Florida Indoor HP All-Star program allows elite youth and junior volleyball athletes to play for college coaches and represent the Florida Region at an international volleyball tournament each year called the USAV Indoor HP Championships. The 2021 championship tournament will be held from July 21<sup>st</sup> - 25<sup>th</sup> in Orlando, FL.

Team Florida will consist of six girls' teams and two boys' teams with the top athletes from the Florida Region. In April, Team Florida held one Girls' Indoor HP All-Stars tryout at the Orange County Convention Center. The Boys' Indoor HP All-Stars had one tryout, which occurred in Wesley Chapel, FL at Wiregrass Sports Complex. This season Team Florida is made up of ninety-six athletes, representing twenty-nine different clubs in the Florida Region.

This year the Florida Region has coaches representing over 6 different colleges and multiple volleyball clubs from across the Florida Region. The coaching staff has over 100 combined years of Team Florida coaching experience and averages over 13 years of total coaching experience. All returning Team Florida Head Coaches have made it to the medal stand in previous years, with some of the coaches having made multiple medal match appearances.

Steve Bishop, Executive Director and President of the Florida Region of USA Volleyball commented, "This is another impressive delegation of all-star athletes and coaches that will be representing Team Florida this year at the USA All-Star Championships. We've had a long tradition of excellence as the highest finishing delegation for eight continual years, between 2012-2019, and we hope to continue that tradition in Orlando after taking a year off during the pandemic in 2020. I'm a firm believer that excellence happens when preparation and determination meet opportunity. This annual event is a highlight for the athletes, coaches, administrators and parents as we come together to create memories and lifelong friendships while competing at the highest level. We look forward to hosting the all-star delegations next month and welcoming them to the City Beautiful."

The Florida Region is thankful for the time and effort everyone (coaches, players, parents, trainers and staff) puts in to make the Team Florida HP All-Stars program successful. The region is also grateful for ASICS, Baker's Sports, and The SpikeNet for the continuous support they show Team Florida.
