

Florida Region of USA Volleyball

JAB Board Meeting Minutes

November 23, 2008

In Attendance: Mike Farah, Shanon Lewis, Steve Bishop & James Phillips

JAB meeting called to order at 2:06pm.

Steve Bishop motioned that the JAB approve the ranking committee recommendation brought forward during the ranking committee meeting this morning.

Mike Farah clarified that the ranking committee recommended results be turned into the region office. The region office would then input the results into sign up to play. Non compliance fine is now \$500.00 when a tournament director doesn't put in their results. Club director's are given a week's notice to get it in. 1st offense \$500. 2nd offense is \$1,000. If they do not pay after the notification then the club is not a member in good standing and his/her club can not participate in any other tournaments or hold a sanctioned event until they pay the fines and are in good standing with the region.

Motion 2nd by Mike Farah

Any discussion? None

Motion unanimous: Steve, Shannon, Mike.

Any more business for the JAB:

Shannon wanted to make a comment. She was a little disappointed for the boys meeting that she was the only person on that call. If we are going to push boys, all staff should be on board in regard to the boys. It was disheartening that she was the only one on the call. From James perspective he screwed up and forgot. Donna dialed in a week too early. Mike Farah missed it totally! We won't miss it in the future.

Shannon and Mike are the only two on the JAB conference call today.

The new season will start on September 1st next year (from the national office). So we will have a black out date on the day the Board meets in 2009. Once this happens, we are going to start having October, November and December tournaments next year, especially in the 14 and under and younger age group. Mike thinks it is imperative to have it before the September 1 season start date. Maybe have a September forum date? Boys aren't well organized from both sides of the fence. We offer scholarships to both boys and girls, no boys applied. We will be happy to give boys awards at the regional awards banquet too should they be nominated.

Any more JAB business? No

Motion by Mike Farah to end meeting at 2:26. Second by Steve Bishop. Meeting ended.
