WELCOME NOTE FROM COMMISSIONER

Florida Region Members,

I hope that all of you have had a great start to the 2010 season. We have already had more tournaments this year than we did by far this time last season. We have had challenges and triumphs early in this season and are looking for more good volleyball the rest of the year. Our Wilson Friday Night Adult Tournament Series is well under way and we hope to see all of our adult players and coaches join us to participate in the sport we all love and adore. Remember to look at our website, www.FloridaVolleyball.org for information on dates and times of upcoming tournaments.

Remember, please come and introduce yourself to me anytime that you are at a tournament in the Region. I look forward to meeting all of you and enjoying a volleyball moment with all of our members. Make sure that you are cheering for your team, applauding your opponents, and thanking the officials for their hard work and diligence. Share the love of our sport with your fellow members and invite others to share in your joy and excitement.

Your Commissioner,

James Phillips

LETTER FROM THE EXECUTIVE DIRECTOR

As I write this letter, I am sitting here looking over the venue of our 2nd Annual Florida Fest Boys' Bid Tournament being held in Daytona Beach. This is a combined Nationally & Regionally hosted bid event and we will be handing out 4 bids (2-16u, 1-17u, 1-18u) to the 2010 USA Volleyball Boy's Jr. National Championships at the conclusion of play on Sunday.

With 6 international boy's teams from Puerto Rico in attendance, it is exciting to watch the athletes and coaches from different countries interact with each other on and off the court. We jointly held this event in conjunction with the Daytona Beach 100 girl's volleyball tournament and a men's college volleyball tournament at the Ocean Center. This is one of the few mixed-gender junior events in the United States and the energy level was high throughout the entire facility.

This past Friday night (Jan 29th) we also held a combined Boy's National & Regional High Performance All-Star tryout. There were 57 boys that attended, making this the single largest boy's tryout we have ever had in the Florida Region. There are three remaining Regional HP All-Star tryouts scheduled between now and mid-April. Check the Florida Region website for the All-Star tryout schedule.

On another note, I am excited to announce that Sand Volleyball will be coming to a college near you in the future. The NCAA voted to approve Women's Sand Volleyball at their recent meeting and we hope to see the sport in full swing by 2012. As one of the most active beach/sand volleyball states in the United States, this exciting news will create many new opportunities for our upcoming juniors. Stay tuned for more information on this topic!

Keep an eye on the Florida Region website (www.FloridaVolleyball.org) for information on upcoming events. Also, remember to submit your ballot for our 2010 Regional Awards Ceremony. We need to hear from you!

See you on the court,

Steve

CLUB HIGHLIGHT – NORTH FLORIDA VOLLEYBALL ACADEMY

Each month a member club is featured in *Vol-eNews*. This is a great way to get to know the Club Director(s) and learn more about the clubs throughout Florida. Clubs of all sizes and disciplines will be highlighted in future editions of *Vol-eNews*. This month **Rita Crockett** and the **North Florida Volleyball Academy** will be highlighted, enjoy!

Rita "The Rocket" Crockett is a two-time Olympian indoor player for Team USA. She was an amazing athlete and role model back when she played competitively and still remains that way today. Rita was not only a remarkable indoor player but also a spectacular beach volleyball player. She became the first African-American to win a beach volleyball World Championship along with her partner Jackie Silva. To view "The Rocket" playing, click on the link provided: [USA vs. BRA 1984](#). If you would like to learn more about Rita Crockett please visit www.ritacrockett.com.

Q: Rita, how old were you when you started playing volleyball?

A: I started playing my freshman year in high school. I was 12 or 13 at the time; I was very young when I attended high school. I then continued to play volleyball in college. I played at San Antonio Junior College for one year then transferred to North Texas State University, and transferred again to play at the University of Houston.

Q: When did you start your club team?

A: I started my club in November 2006. I was the Associate Head Coach of Florida State University. I stopped coaching for them and took over The North Florida Volleyball Academy.

Q: If you could brag about your club, what would you say?

A: It is the most satisfying experience in my volleyball career to date. It's not just because of the kids but also the experiences I get with the parents, community and watching the kid's grow and learn. I love being apart of building their character not only in their athletic experience but also in their personal lives. I love being in our gym and I love what I do. I really, really, enjoy figuring out problems, if any, because you can't make everyone happy but I try to make them comfortable. This club has made me a more all around business person and mentor. I absolutely love what I do!

Q: What are some of your club's accomplishments? (Ex. All-State, All-American, College scholarships, etc.)

A: In our second year we won the 13's division and 17's division at Regional's, as a result we sent two teams to Nationals that year.

In 2008, the 17's Elite team that I coached won the Big South Tournament without losing a set. It was the first time ever a team in Tallahassee has ever won a national qualifier. We played teams from California, Texas, Florida and more. My team made a deal with me that if we went undefeated the whole tournament I had to dye my hair pink for two days. Regardless to say, we won the tournament, 20-0. The team got to paint my hair until it was completely pink.

I'm excited to say that our club has grown from 8 teams to 12 teams. We have a total of 140 kids in our club.

Q: You recently opened up your own facility, how many courts are there? How did you feel when it finally opened?

A: We have 3 courts two full courts, a training court, a nice lobby, a girl's bathroom which is pink, and a boy's bathroom that is blue.

I was so excited when it opened, I felt like a kid opening the best Christmas present you ask from Santa but never get it. Well he finally dropped it down the chimney. I enjoy seeing how much everyone else enjoys it as well, it truly makes me happy. I just love my club.

Q: What are your future plans with your club team?

A: Want to continue to keep our facility up and keep it going so that it opens up for more kids so that they can have this outlet and opportunity. I would love to get adults in here too (so that I can play too)! I want to be successful by giving the kids what they want out of their experiences, to be a good player, to get a scholarship or

just continue to play ball. I want to continue to help the kids accomplish their goals. In the long run we want our seniors to be excited about where they go to college.

Q: Tell us your most memorable moment(s) playing in the Olympics?

A: It would have to be when we were down against Brazil to get in the semi-finals. It was a very intense game, we were down match point in the 4th but we came back and beat them in the 5th game. We told ourselves we will not lose this. We wanted it so bad, we fought hard and beat them. The game was so intense that they interrupted Nightline until the game was over. I can honestly say I cried after that game even though we won. It was a much deserved victory.

Q: How did you get your nickname "The Rocket"?

A: I got the name by having a 42 inch vertical jump. Whenever we toured the announcer would call me "Crockett-the-Rocket". It stuck ever since, even to this day.

Q: What would you consider to be your biggest accomplishments with volleyball?

A: Some of my biggest accomplishments would definitely be winning a silver medal in the Olympics and also being the first African American to win The Beach Volleyball World Championships. The experiences were amazing and I never took anything for granted, I cherished every moment. It was such an honor to wear the USA jersey, and represent my country.

Q: Tell us your role in the Florida Region?

A: I am on the Board of Directors. I enjoy being on the board to help make the Florida Region better. I take pride and I am very honored to be representing the region by being on the board. I feel like now that I've lived in Florida for 6 years, being on the board for 3 of those years, has allowed me to get to know a lot more people now.

Q: What do you look forward to in the future for the Florida Region?

A: I want to see our region get stronger across the board by winning championships, and qualifiers in all divisions. I want to continue building so we can have the most members in the nation. I would also love to get more members in the adult's beach and grass leagues. Want us to be big in every aspect of volleyball and I think we are definitely capable of it.

*Thanks Rita for participating in the Club Highlight. The Florida Region wishes you and your club continued success in the 2009/2010 season! Stay tuned for next month's Club Highlight to learn about **Nancy Cothron and Manatee Area Volleyball Club.***
