

# EDUCATIONAL & RECRUITING INSIGHTS

The Florida Region of USA Volleyball and the American Volleyball Coaches Association has teamed up to give educational and recruiting insights to our members!

## ELIGIBILITY CENTERS

ALL STUDENTS MUST REGISTER WITHIN THE NCAA ELIGIBILITY CENTER IF THEY DESIRE TO COMPETE AT AN NCAA DIVISION I OR DIVISION II SCHOOL. ALL STUDENT ATHLETES MUST REGISTER WITHIN THE PLAY NAIA ELIGIBILITY CENTER IF THEY WISH TO BE RECRUITED TO A SCHOOL WITHIN NAIA.

There are 2 things that college administrators are concerned about when coaches are out recruiting perspective student athletes:

- **Does the perspective student athlete have the academic credentials to succeed?**
- **Are they amateur status within the sport they are being recruited for?**

\*In simpler terms, they are making sure that you are not a professional volleyball player.

The AVCA recommends that you register for the eligibility in your sophomore year of high school. **You must register with the eligibility center before you can go on an official visit.**
