

How do I change the USA Volleyball Club Affiliation from “UNDECIDED” to the club of my choice?

NOTE: Junior Girls' Club Affiliation will automatically set to UNDECIDED between September 1st through September 30th each season. Junior girl members may login beginning October 1st to update their club affiliation to the club of their choosing. Club affiliation may only be updated once per season. If you need to change club affiliation after selecting a club, you will need a written release from the current club.
