This is not a change in rule or interpretation; the additional verbiage is a clarification.</p>

A re-authorization for the serve is not considered a replay.</p>
<p>15.4.2 During time-outs, players must go to the free zone near their bench.</p> <p>DELETED FROM THE RULES: 15.4.2 For FIVB, World and Official Competitions, in sets 1-4, two additional 60-second "Technical Time-Outs" are applied automatically when the leading team reaches the 8th and 16th points.</p>	<p>USAV 15.4.2:</p> <p>The players may remain on the court or go to the free zone near their team bench. Any member of the team listed on the roster may participate in the time-out. Coaches and non-playing team members may not enter the court. USAV rules will allow media (technical) time-outs at the discretion of the event organizer.</p>
<p>15.8 SUBSTITUTION FOR EXPULSION OR DISQUALIFICATION</p> <p>An EXPELLED or DISQUALIFIED player must be substituted immediately through a legal substitution. If this is not possible, the team has the right to do an exceptional substitution. If this is not possible, the team is declared INCOMPLETE.</p>	<p>2022-2024 FIVB rule adopted by USAV</p>	<p>The previous rule did not allow an exceptional substitution for an expelled or disqualified player, which could result in a team being declared incomplete and forfeiting the set or match. To encourage the continuation of competition, an exceptional substitution is now permitted for an expelled or disqualified player when a legal substitution cannot be made.</p>
<p>18.1 INTERVALS</p> <p>An interval is the time between sets. All intervals last 3 minutes. During this period of time, the change of courts and line-up registrations of the teams on the score sheet are made.</p> <p>The interval between the second and the third set can be extended up to 10 minutes by the competent body at the request of the organizer.</p>	<p>USAV 18.1 INTERVALS</p> <p>An interval is the time between sets.
