

For the safety, security, and privacy of all participants, media access to the event is strictly limited to accredited individuals only.

1. **Prior Approval Required:** All media representatives are required to have an eligible USAV membership, which includes a background screening and SafeSport training. Media representatives must obtain written approval from the event organizers before being granted access. Requests for media access should be submitted via email to events@FloridaVolleyball.org no later than 1 week prior to the event.
2. **Credentialing Process:** Media personnel must present valid credentials that have been pre-approved. Unauthorized media without proper credentials will be denied entry and removed from the event.
3. **No Exceptions:** Access to the event will not be granted to any media representatives who have not gone through the approval and credentialing process.
4. **Failure to Comply:** Any individual attempting to gain access to the event without proper credentials will be required to leave immediately. Violation of this policy will result in the revocation of media privileges for future events.

Thank you for your understanding and cooperation.
