

SafeSport Training Requirement for the 2019-2020 Season

❖ Overview

- **U.S. Center for SafeSport "Core" Training:** This is required training for adults who have regular contact with amateur athletes who are minors, and/or have regular contact with or authority over an amateur athlete who is a minor. **The training must be completed before regular contact with an amateur athlete who is a minor begins;** or within the first 45 days of initial membership, or upon beginning a new role subjecting the adult to the Minor Athlete Abuse Prevention Policies (MAAPP). The "Core" training is required also prior to eligibility to take the Refresher 1. This training is available to USAV members for free.
- **30-Minute Refresher:** This is conducted annually following "Core" Center for SafeSport Training. This training is 30 minutes and is a review of the information shared in the Core Center for SafeSport Training. This training is available to USAV members for free.
- **Athletes turning 18** during the season, whose teammates are minors, will be required to take "Core" Center for SafeSport training upon turning 18. To prevent any disruption in play, the center will allow athletes who are 17, turning 18 during the season to take "Core" given parental consent. Once a player turns 18, he or she will not be permitted to continue play until "Core" SafeSport training has been completed.

❖ How to Register for SafeSport Training – Pick the option below that applies:

Parental consent is required for minor athletes (any child under 18) to register for SafeSport training.

[Complete the parental consent form](#) before registering.

- **Option 1: First time registering for SafeSport Training**
