# LETTER FROM OUR EXECUTIVE DIRECTOR

I'm writing with a sense of relief now that Hurricane Dorian is scheduled to pass by with minimal damage to Florida. However, the northern islands of the Bahamas did not fare so well. Our thoughts and prayers go out to the Bahamians that were impacted. This recovery will be a huge undertaking, but the Bahamian spirit is strong. We'll be organizing some support for the Bahamian Volleyball Federation once we hear back from their Federation President on how we can help. Stay tuned for more information on this initiative in the coming days & weeks!

On another note, I am honored to share a recent announcement from JJVA regarding the retirement of JJVA Club Director, **Mary Andrew**. Below is an excerpt of the official announcement: "Today we officially announce the retirement of beloved JJVA Founder and Director, Coach Mary Andrew. Throughout her tenure she has exhibited integrity, grit, and great depth of character when making important and sometimes difficult decisions to steer the ship. Her engagement in our community is unmatched, and we are fortunate to have had a leader who has championed JJVA's athletics, values, and traditions. On behalf of the entire JJVA family, coaches, athletes, staff and parents that have had the pleasure of working with her, we offer our deep appreciation to Coach Andrew for her thoughtful, steady, and principled leadership and express our gratitude and admiration for her tireless dedication to our wonderful club. We are not saying goodbye, but rather celebrating the next chapter of her journey that will no doubt include remaining part of the JJVA family in numerous ways."

I am proud to share this news and I wish Mary the very best in her retirement. She has certainly made a positive impact on our region and our sport. Mary reported that she will continue to serve JJVA as a board member, tournament director, alumni organizer, and fundraiser. She will also continue to serve out her term as Board Chair/Commissioner for the Florida Region. Adis Imamovic will assume the role of Club Director for JJVA.

Finally, membership registration for the 2019/2020 season is underway. Please visit [www.FloridaVolleyball.org](http://www.FloridaVolleyball.org) to renew your membership and stay tuned for more great volleyball news.
