## FROM THE EXECUTIVE DIRECTOR

July was another busy volleyball month for the Florida Region!

We started the month with a record number of Florida indoor junior volleyball teams attending the USAV Jr. National Championships in Indianapolis (girls) & Dallas (boys). The Florida Region had 14 teams medal this year (11 girl's teams & 3 boy's teams). You can find a complete list of teams and their respective finishes on page 9 of this edition of Vol-eNews. Later in July we had Florida teams attend the USA Beach HP Championships in Hermosa Beach and the USAV Jr. Beach Tour Championships in Milwaukee, WI. Our top finishing beach team in Hermosa was Macy Jerger & Ashley Allmer in the U21/23 Division, earning a silver medal.

Near the end of July we took eight Team Florida Indoor HP All-Star teams to Ft. Lauderdale for the USA Indoor HP Championships. At this event the Florida Region led the way in medals by winning five total medals (3 gold, 1 silver, & 1 bronze) and setting several firsts for the program. Coach Flavia Siqueira (College of Central Florida) led the Girls National Select Red team to their 4<sup>th</sup> national title in a row for the program and her 3<sup>rd</sup> in a row personally. It was an impressive run as they achieved a perfect match and set record over 5 days of competition.

To finish out July, the Florida Region hosted the 2016 ROX VB Series National Championships at Hickory Point Beach and welcomed 95 beach teams from 17 states across the US. The event was met with some high heat and a little rain, but completed on-time with winners in ten divisions for boys and girls. A complete list of teams and their finishes can be found at [www.roxvbseries.com](http://www.roxvbseries.com).

As we head into August, we hope that you enjoy all of the volleyball that will be covered by NBC during the upcoming 2016 Rio Olympics. To help take advantage of the extensive volleyball coverage, we are partnering with USA Volleyball & NBC to offer a free day of volleyball on Sat, Aug 27<sup>th</sup>. (See page 4 for more information.)

Go USA!

The Florida Region is proud to announce that five out of their eight Team Florida Indoor HP All-Star teams brought home medals from the 2016 USA HP Championships in Ft. Lauderdale, FL. With only seven divisions in the tournament, Team Florida medaled in almost all of them.

The three (3) gold medals went to the Women International Junior (ages 17-19), Girls' International Youth (ages 15 & 16) and Girls' National Select Red (ages 14 and under) teams. This is the fourth (4<sup>th</sup>) year in a row that Team Florida has taken the gold medal in the Girls' National Select division.

This is also the first time in the program's history that all boys' teams medaled in their respective divisions. The silver medal went to the Boys' National Youth (ages 16 & 17) team, while the bronze medal went to the Boys' National Select (ages 15 and under) team.

High Performance has made a positive impact on the Florida Region by bringing all-star athletes, college coaches and club volleyball coaches together from all areas of the state. Team Florida was sponsored and outfitted by ASICS and 1<sup>st</sup> Place Volleyball, making this the 11<sup>th</sup> year in a row.

Each Team Florida all-star team was assigned three coaches, with the majority of them being former or current college coaches. The rosters can be found to your left.

## QUICK TIP FOR PARENTS...

Signs & symptoms of child sexual abuse – Athletes rarely speak up about child sexual abuse. Instead, we often need to rely on other indicators that something might be going on in sport. One indicator of child sexual abuse includes sudden behavioral changes related to the training & competition. A few possible behavioral changes you might see in your athlete include:

- Losing enthusiasm for sport, even for competition
- Not wanting to practice
- Wanting to avoid contact with a particular individual – such as a coach, assistant coach, or athletic trainer
- Having a sudden mood change, such as a violent emotional outburst
- Wanting to change teams, even though his or her friends are on their current team
